

REMARKS

1
2 Herein, the "Action" or "Office Action" refers to the Office Action dated
3
4/21/2004.

5 Applicant respectfully requests reconsideration and allowance of all of the
6 claims of the application. Claims 4, 7, 12, 18, 19, 26, 30-31 are presently pending.
7 Claims amended herein are 4, 7, 12, 18, 30-31 . Claims withdrawn or cancelled
8 herein are 1-3, 5, 6, 8-11, 13-17, 23-25, and 27-29. New claims added herein are
9 none.

Allowable Claims

10
11 Applicant appreciates the Office's recognition of the allowability of claims
12 19 and 26. Furthermore, Applicant appreciates the Office's recognition of the
13 allowability of dependent claims 4, 7, 12, 18, and 30-31 if re-written in
14 independent form. Applicant does that herein.

15
16 To speed along issues of claims in this case, Applicant cancels claims 1-3,
17 5-6, 8-11, 13-17, 23-25, and 27-29 which leaves only the allowed claims (4, 7, 12,
18, 19, 26, 30-31) pending.

Formal Rejections**Obviousness-Type Double Patenting**

19
20
21 The Office indicates that claims 1-19 and 23-31 are rejected under the
22 judicially created doctrine of obviousness-type double patenting as being

lee & hayes

1 unpatentable over claims 1-10, 14-21, 24-27, 30 and 33-37 of U.S. Patent No.
2 6,339,794. Applicant in this case is the owner of the subject '794 patent.

3 The Office suggests that a timely filed *terminal disclaimer* in compliance
4 with 37 CFR 1.321(c) may be used to overcome an actual or provisional rejection
5 based on a non-statutory double patent ground provided the conflicting application
6 or patent is shown to be commonly owned with this application. See 37 CFR
7 1.130(b).

8 In accordance with that suggestion, Applicant submits herewith (or
9 forthwith) the appropriate *terminal disclaimer* in compliance with 37 CFR
10 1.321(c). For this reason, Applicant requests that the Office withdraw its
11 obviousness-type double patenting rejection.

12 13 Substantive Claim Rejections

14

15 Based upon Northcutt

16 The Office rejects claims 1-3, 5-6, 8-11, 13-17, 23-25, and 27-29 under
17 USC § 102(a) as being anticipated by Northcutt: *Northcutt et al.*, US Patent No.
18 5,442,749 (issued 8/15/1995 and filed on 7/9/1993). Applicant respectfully
19 traverses the rejections of these claims.

20 However, at this time, Applicant withdraws these claims from
21 consideration in order speed along issuance of other claims that the Office
22 indicates are allowable or would be allowable if re-written into independent form.
23

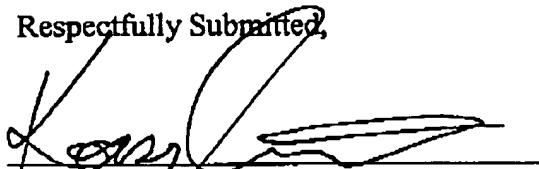

1 **Conclusion**

2 All pending claims are in condition for allowance. Applicant respectfully
3 requests reconsideration and prompt issuance of the application. If any issues
4 remain that prevent issuance of this application, the Office is urged to contact the
5 undersigned attorney before issuing a subsequent Action.
